## Mission

The mission of the Florida Supply Chain Summit is to provide a platform for statewide collaboration among key representatives from industry, professional organizations, government, economic development agencies, and higher education for the purpose of advancing the state of Florida as a global trade hub.

## Vision

The Florida Supply Chain Summit facilitates and strengthens partnerships in the trade and logistics industry by providing opportunities to network, address industry issues, and share knowledge about critical issues including emerging trends, technology innovations, and workforce development.

## PARTNERS

**Business Partners**

**Economic Development Organizations**

**Florida's Seaports**

**Florida's Spaceports**

**Florida's Railways**

**Logistics, Transportation, Supply Chain Organizations**

**Manufacturing Organizations**

**Statewide Universities**

## Proposal – Value Proposition to the State of Florida

- Statewide industry/government/academic network engagement
- Industry discussions and topics on supply chain disruptions
- Dedicated, sustainable staff and resources for statewide initiative

## Summit History

Early 2019 we hosted several hundred attendees at Disney's Contemporary Resort at the inaugural summit. The pandemic hit in 2020 shutting down the state and the world. The Summit continued virtually in 2021 and resumed in person March 2022 in Tampa.

## Summit Planning

A state-wide steering committee engages key stakeholders and decision makers. This working group determines key messages and topics for the 2023 summit. The aim is to develop an attractive platform that enables collaboration among representatives from Florida's key industries, professional organizations, economic development agencies, government officials, and higher education institutions.

**Anticipated Attendance 300 – 500**
