2023 FLORIDA SUPPLY CHAIN SUMMIT WELCOMES BILL CATANIA, FOUNDER AND CEO OF ONERAIL, TO SPEAK AT ANNUAL SUPPLY CHAIN SUMMIT IN MAY

OneRail is a presenting sponsor of the 4th annual action-packed summit in Tampa with Catania delivering a fireside chat about last mile logistics

TAMPA, Fla. — Florida's supply chain plays a prominent role in the success of businesses in the state, and the Florida Supply Chain Summit is gearing up for its 4th annual summit, May 15-17, 2023. The 2023 Summit is proud to have OneRail Founder and CEO Bill Catania share his expertise with summit attendees on Day 2 of the show, May 16, during a fireside chat on last mile logistics. With business leaders across manufacturing, logistics, retail, and the aviation/aerospace industries, as well as government and educational representatives, you won't want to miss this informative and action-packed summit.

OneRail is an omnichannel delivery fulfillment startup and a 2023 Summit Presenting Sponsor. The Orlando-based last mile delivery solution provides shippers across all verticals with precision-based dependability and speed to keep their delivery promise. OneRail is coming off a year of rapid growth, including closing on a \$33 million Series B; being deployed from over 10,000 unique shipper locations; expanding its massive Logistics Partner Network to 10 million-plus drivers; and doubling the size of its headquarters to accommodate new hires after landing multiple large brands. Catania and OneRail are recognized as leaders in the industry, most recently by debuting at #48 on the 2022 *Inc. 5000* list of America's fastest-growing companies, being named to the FreightTech 100 for the second year in a row and being named to SupplyChainBrain's 2022 list of 100 Great Supply Chain Partners.

The Summit is also honored to have support from Enterprise Florida, Inc.; the University of South Florida Muma College of Business; and Datex as founding sponsors. Bank of America and others are dedicated to supporting this Summit on one of our state's most critical resources — our supply chain.

The 2023 Florida Supply Chain Summit is focused on resiliency, adaptability and technology in advancing Florida as a trade partner throughout the world. The summit is a multilayered event featuring business-to-business discussions on Florida's supply chain infrastructure, manufacturing, transportation, distribution and warehousing. Special topics include reshoring, nearshoring, last mile, workforce challenges and other key statewide opportunities.
