

FLORIDA SUPPLY CHAIN SUMMIT

Complimentary

2023 Webinar Series

www.FloridaSupplyChainSummit.com

Wednesday, March 8, 2023, 2 – 3:15 p.m.

FloridaMakes

Made in Florida
Manufacturing
Update

Mike Aller serves as Director of Supplier Development. His areas of technical emphasis and strategic engagement include helping Florida's aviation & aerospace, defense, medical devices, personal protective equipment & power generation manufacturers grow Florida's economy.

Mike Strong
Senior Director
Innovation Scaling,
Flexible and Agile
Solutions at
Johnson & Johnson

Mike will present and discuss J&J's activities in integrating and connecting their entire supply chain for J&J's Vision (contact lens) manufacturing business, including integrated end-to-end sourcing and delivery from suppliers and order fulfillment via connected customer relationships.

This effort was recognized as a global best practice through the World Economic Forum and McKinsey's Industry 4.0 Lighthouse Initiative. He also will talk about the importance of workforce training in engaging and fulfilling J&J's talent needs.
